Please accept this letter as my request (inaccordance with your instructions) to request a hearing in my county of residence (Greenville County).

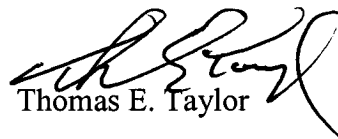

Also accept my request to appear before the commission. *5 minutes*

I as well and most if not all landowners in the "Shoals" feel that \$24.66 let alone \$33.60 Is too much to pay for using a trunk line to a public sewer (Western Carolina). We also have to pay a sewer bill to Western Carolina. The sewer bill to Western Carolina is not As must as Utility Utilities is charging to use their trunk line.

Should anyone need to contact me, please write me at the above address of call me at 864-277-9555 (e-mail: etaylor@greenvillecounty.org).

Sincerely,
